

Suggested Use: 1 capsule 45-60 minutes before breakfast and 1 capsule 45-60 minutes before dinner.

Reshape X Factor is not a quick fix diet plan. However, in one clinical study patients reported significant weight loss in just one month. Just as important as steady weight reduction, Reshape X Factor has shown itself to be an energy booster, glucose control agent, and metabolism stimulator which means it helps you feel better as you gain a new tighter and lighter shape.*
